➤ UNDERSTANDING THE CONCEPT

The Referral Partner QR Process operates key stage, concept of DSA (Direct Sales Agent, who register for free on PerPayment CRM of American Ratings to get unique QR Post card of Business & Individual A-I-R-S Number.

Stage 1 – Direct Selling Agency (DSA) Profile Setup & New Client Acquisition

- Once the PerPayment Account is created and active, the Direct Selling Agency (DSA) can start selling American Business & Individual A-I-R-S Number.
- The DSA supports distribution of QR Postcards and acquisition of new clients under the QR referral program.
- DSAs act as official representatives of American Ratings , helping clients purchase Business & Individual A-I-R-S Number.

Stage 2 – Direct Selling Agency (DSA) DSA Role & Process

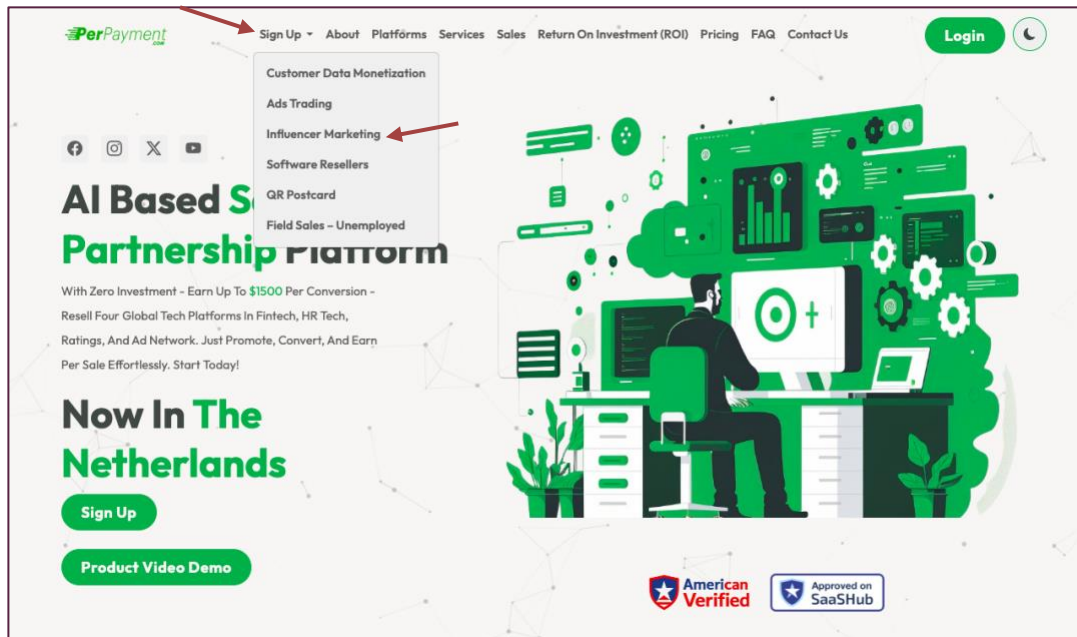

➤ SCREEN 1 – DSA PERPAYMENT CRM REGISTRATION PAGE

Purpose: To securely access the PerPayment dashboard setup using registered credentials created by the Authorized Account Holder.

Steps (Refer to Screen 1.1 - 1.5 below):

1. Visit PerPayment.com and Select **Sign Up** and from the dropdown menu select **Influencer Marketing** (Screen 1 below)

Screen 1.1 – Dashboard Screen (For Illustration Purpose)

2. From the Dashboard, click on the “American Ratings Referral” section under Influencer Marketing to proceed.

Screen 1.2 – Dashboard Selection Screen (For Illustration Purpose)

The screenshot displays the PerPayment dashboard with a navigation bar at the top containing links for Sign Up, About, Platforms, Services, Sales, Return On Investment (ROI), Pricing, FAQ, and Contact Us. A Login button and a mobile menu icon are also present. The main heading is "What We're Offering?". Below this, a descriptive paragraph states: "PerPayment Offers An AI-Powered Sales Partnership Platform Integrated With Fintech, HR Tech, Information Ratings, And Ads Trading. Earn 30% Gross Revenue Effortlessly, With No Investment Required. Leverage Cutting-Edge Technology To Maximize Earnings And Grow Your Business Seamlessly. Join Now And Start Profiting From Innovative Digital Partnerships!". The dashboard is organized into six service categories, each with an icon, a title, a brief description, and a list of sign-up links:

- Ads Trading**: Diversify Investment Portfolio Through PerPayment Ads Trading Account & Enhance Financial Stability Leading To Resilient Financial Position. Sign Up → [Open Ads Trading Account](#), Sign Up → [PerPayment Physical Store](#).

A URL bar at the bottom left shows: perpayment.com/register-ar?coupon=PCT56fa9bb4e125cf884f171a8b35cfe6d9

3. Enter the Email ID shared by the Authorized Account Holder to Sign Up and proceed to the next stage.

For Example:

If the Authorized Account Holder used **alen@gmail.com** during registration (as shown in Stage 1 – Screen 1.2), use the same email credentials to continue and setup activities. Password can be used as per your choice.

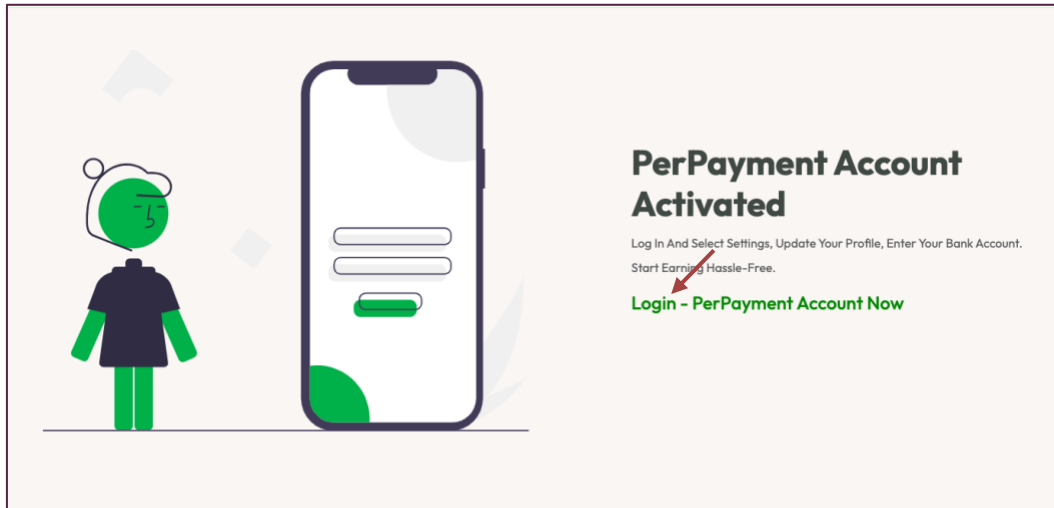

Screen 1.3 – Sign Up Page (For Illustration Purpose)

A screenshot of the "Sign Up — American Ratings Referral Portal" page. The page has a white background with a light gray border. At the top left is the "American Verified" logo, and at the top right is a blue badge that says "Approved on SaaSHub". The main heading is "Sign Up — American Ratings Referral Portal". Below this, it says "Refer customers using your physical location or online QR Postcard for American Ratings Business/Individual A-I-R-S Number." and "Earn 30% commission Up to \$120 per transaction." There is a link "Already have an account? Sign In". Below that is a "Sign in with Google" button with the Google logo. Underneath is the text "or create with". The "Email" field contains "alen@gmail.com" with a red arrow pointing to it. The "Password" field has four dots and a "Show" button. At the bottom is a large black "Signup" button. Below the button, it says "By creating an account, you agree to Socio Platforms, Inc., Terms and Privacy Policy." and a link "Forgot Password?".

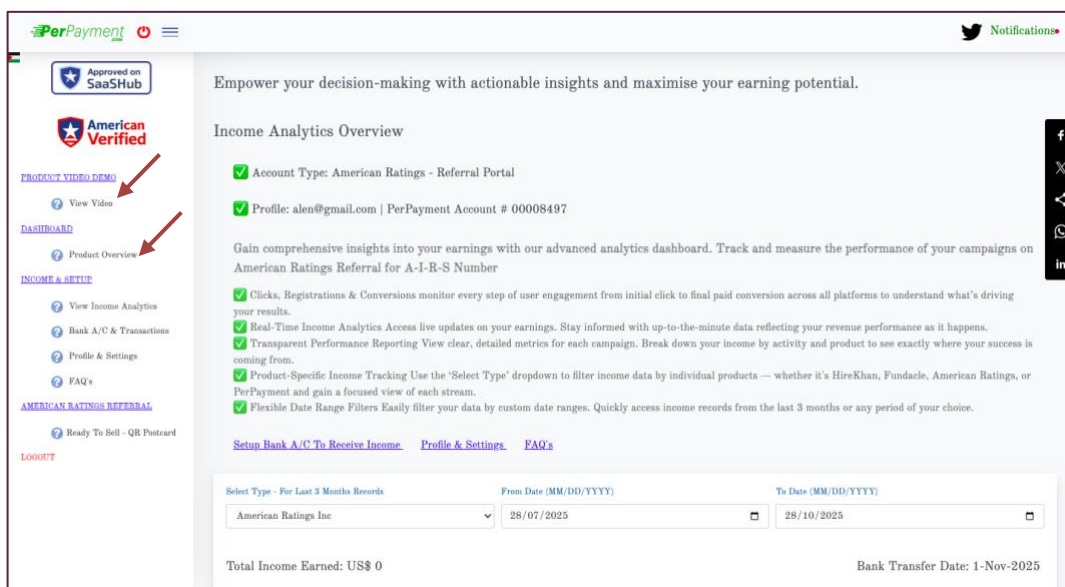

4. Click on Login and enter the same credential used for Sign In

Screen 1.4 – Login Page (For Illustration Purpose)

5. Once logged in, the Dashboard Screen will be displayed where you can see **View Video** and **Product Overview**

Screen 1.5 – Dashboard Screen (For Illustration Purpose)

➤ SCREEN 2 – ACCOUNT & PROFILE SETUP SCREEN

2.1 View Income Analytics

Purpose: To access and review income analytics details generated from multiple earning sources under the registered PerPayment account. This section allows the Authorized Account Holder to track total earnings, view transaction summaries, and verify the scheduled bank transfer date within the selected time period.

Steps (Refer to Screen 2.1 below):

1. Go to INCOME & SETUP → View Income Analytics.
2. Select the record type (e.g., *AMERICAN RATINGS INC*) and set the From Date and To Date.
3. View Total Click, Registration, Paid Registration and Income Earned and the scheduled Bank Transfer Date.
4. Review the income table showing earnings from all active sources and campaigns. For example – Influencer Marketing

Screen 2.1 – View Income Analytics Screen (For Illustration Purpose)

your results.

- ✓ Real-Time Income Analytics Access live updates on your earnings. Stay informed with up-to-the-minute data reflecting your revenue performance as it happens.
- ✓ Transparent Performance Reporting View clear, detailed metrics for each campaign. Break down your income by activity and product to see exactly where your success is coming from.
- ✓ Product-Specific Income Tracking Use the 'Select Type' dropdown to filter income data by individual products — whether it's HireKhan, Fundacle, American Ratings, or PerPayment and gain a focused view of each stream.
- ✓ Flexible Date Range Filters Easily filter your data by custom date ranges. Quickly access income records from the last 3 months or any period of your choice.

Download QR Postcard

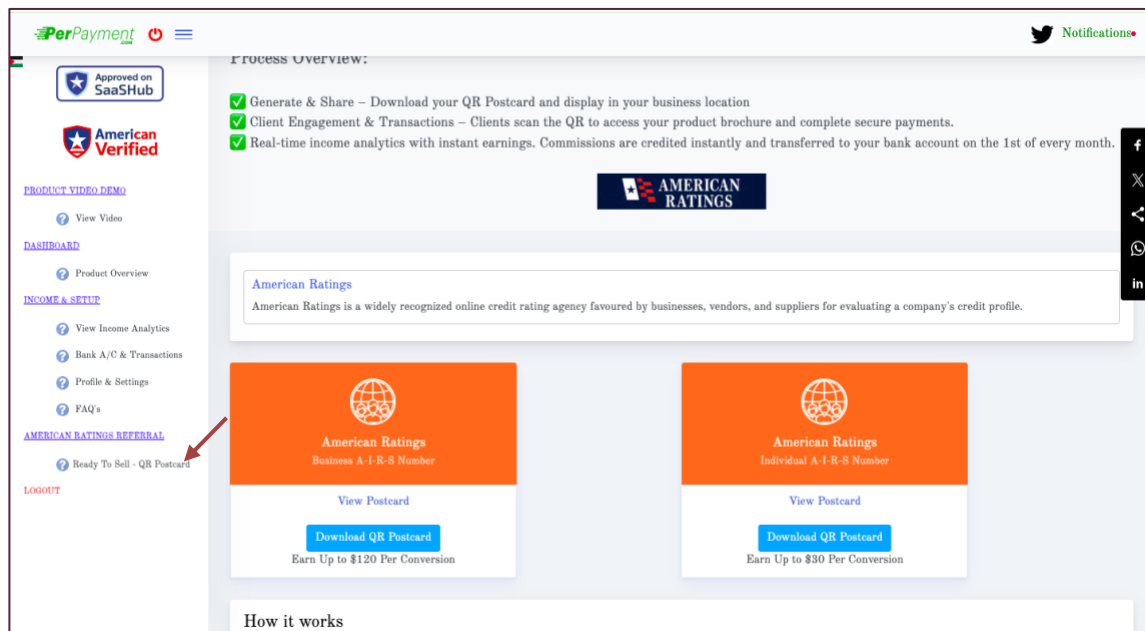

A unique QR-coded PDF linked to your PerPayment account for earning commission.

Steps (Refer to Screen 3.1- 3.4 below):

1- Go to American Ratings Referral -> Ready to Sell - QR Postcard

Screen 3.1 – Ready to Sell - QR Postcard (For Illustration Purpose)

2- Select the desired product category and download

- a) Business A-I-R-S Number
- b) Individual A-I-R-S Number

Screen 3.2 – Download the desired product to sell via QR Postcard (For Illustration Purpose)

The screenshot displays the PerPayment dashboard interface. At the top, there's a header with the PerPayment logo, a notification bell, and a user profile icon. The main content area is titled 'Process Overview:' and lists three steps: 'Generate & Share - Download your QR Postcard and display in your business location', 'Client Engagement & Transactions - Clients scan the QR to access your product brochure and complete secure payments.', and 'Real-time income analytics with instant earnings. Commissions are credited instantly and transferred to your bank account on the 1st of every month.' Below this, there's a section for 'American Ratings' with a description: 'American Ratings is a widely recognized online credit rating agency favoured by businesses, vendors, and suppliers for evaluating a company's credit profile.' The dashboard features two main product cards: 'American Ratings Business A-I-R-S Number' and 'American Ratings Individual A-I-R-S Number'. Each card has a 'View Postcard' link and a 'Download QR Postcard' button. The Business card indicates 'Earn Up to \$120 Per Conversion' and the Individual card indicates 'Earn Up to \$30 Per Conversion'. A sidebar on the left contains navigation links for 'PRODUCT VIDEO DEMO', 'DASHBOARD', 'INCOME & SETUP', 'AMERICAN RATINGS REFERRAL', and 'LOGOUT'. The bottom of the dashboard has a 'How it works' section.

This will be the format of QR Postcard for Business and Individual A-I-R-S Number, you can share through Email, WhatsApp and Other Mediums.
